

Citizen's Defund Pledge

Whereas, the Constitution of the United States is the supreme law of the land and as such, all three branches of the Federal Government are subject to its authority; and

Whereas, the Federal Government is acknowledged by all to be one of enumerated powers, and those powers are granted to it by the Constitution, limited by the Bill of Rights, and the other protections found in the Constitutional text; and

Whereas, the proposed Enumerated Powers Act requires each Act of Congress to contain a concise and definite statement of the Constitutional authority relied upon for the enactment of each portion of that Act, and declares that failure to comply with this requirement shall give rise to a point of order in either chamber of Congress.

Therefore, I, the undersigned American citizen, pledge to vote against any candidate for the House or the Senate who refuses to sign the Defund Pledge or who fails to support the Enumerated Powers Act.
